It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.

All parties will provide their current addresses, **e-mail addresses**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. Each party must provide the Commission and all parties with updated address, **e-mail address**, telephone, and fax information, if such information changes. The **e-mail addresses**, telephone and fax numbers will be placed on the service list for this proceeding. Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.
