RE: **Docket No. 52534** – *Petition of Central Frisco, Ltd. to Amend Marilee Special Utility District's Certificate of Convenience and Necessity in Collin County by Expedited Release*

DATE: August 22, 2022

On August 22, 2022, I filed a memorandum in the above-styled and numbered proceeding, which inadvertently contained an incorrect letterhead. This memorandum serves to correct that inadvertent error.

On August 2, 2022, a Revised Proposed Order was filed in the above-referenced docket. The Commission will consider the Proposed Order at future open meeting.

On August 12, 2022, Central Frisco, Ltd. filed exceptions to the Revised Proposed Order.

I conclude that no changes to the Revised Proposed Order are warranted in response to the exceptions raised by Central Frisco, and the Revised Proposed Order remains ready for the Commission's consideration.
