LTD. TO AMEND MARILEE SPECIAL §
UTILITY DISTRICT'S CERTIFICATE § OF TEXAS
OF CONVENIENCE AND NECESSITY §
IN COLLIN COUNTY BY EXPEDITED §
RELEASE §**

**COMMISSION STAFF'S AMENDED RECOMMENDATION ON ADMINISTRATIVE
COMPLETENESS AND NOTICE**

On September 8, 2021, Central Frisco LTD. (Central Frisco) filed a petition for expedited release from Marilee Special Utility District's (Marilee SUD) water certificate of convenience and necessity (CCN) number 10150 under Texas Water Code (TWC) § 13.2541 and 16 Texas Administrative Code (TAC) § 24.245(h). Central Frisco asserts that the land to be released is at least 25 contiguous acres, is not receiving water service, and is located in Collin County, which is a qualifying county.

On September 9, 2021, the administrative law judge (ALJ) filed Order No. 1, establishing a deadline of October 8, 2021 for the Staff of the Public Utility Commission of Texas (Staff) to file comments regarding the administrative completeness of the petition and notice. Staff timely filed comments on the administrative completeness of the petition and notice on October 8, 2021. Staff now files an amendment to attach memorandum of Jolie Mathis. Therefore, this pleading is timely filed.

I. ADMINISTRATIVE COMPLETENESS

Staff has reviewed the petition and, as detailed in the attached memorandum from Jolie Mathis, Infrastructure Division, recommends that the petition is administratively incomplete. Staff further recommends that Central Frisco be ordered to cure the deficiencies identified in Ms. Mathis' memorandum by November 8, 2021 and that Staff be given a deadline of December 8, 2021 to file a supplemental recommendation on the administrative completeness of the petition.

II. PROCEDURAL SCHEDULE

In accordance with Staff's deficiency recommendation, Staff does not propose a procedural schedule for further processing of the docket at this time. Staff intends to propose a procedural

schedule alongside a subsequent recommendation that the petition be found administratively complete.

III. CONCLUSION

For the reasons detailed above, Staff recommends that the petition be found administratively incomplete and that Central Frisco be ordered to file supplemental information to cure the deficiencies in the petition by November 8, 2021. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: October 14, 2021

RE: Docket No. 52534 – *Petition of Central Frisco, LTD. to Amend Marilee Special Utility District’s Certificate of Convenience and Necessity in Collin County by Expedited Release*

On September 8, 2021, Central Frisco, LTD. (Central Frisco) filed a petition for streamlined expedited release from Marilee Special Utility District's (Marilee SUD) water certificate of convenience and necessity (CCN) No. 10150 in Collin County, under Texas Water Code (TWC) § 13.2541(b) and 16 Texas Administrative Code (TAC) § 24.245(h). Central Frisco asserts that the land is at least 25 contiguous acres, is not receiving water service, and is located in Collin County, which is a qualifying county.

Based on the mapping review by Gary Horton, Infrastructure Division, and my technical and managerial review of the information provided by Central Frisco, I recommend the petition be deemed insufficient for filing and found administratively incomplete.

Mapping Content:

Maps submitted on September 8, 2021 are deficient.

Central Frisco must submit the following items to resolve the mapping deficiencies:

1. A general location map identifying only the requested area, in reference to the nearest county boundary, city, or town.
2. A detailed map identifying only the requested area, in reference to verifiable man-made and natural landmarks, such as roads, rivers, and railroads.
3. Digital mapping data for the requested area, as a single polygon record, in shapefile (SHP) format, georeferenced in either NAD83 Texas Statewide Mapping System (Meters) or NAD83 Texas State Plane Coordinate System (US Feet); or metes and bounds survey sealed or embossed by either a licensed state surveyor or a registered professional land surveyor.

Staff will need at least 30 days to review the documentation, maps, and digital data provided by Central Frisco and draft a recommendation.
