RE: **Docket No. 52542** – *Petition of Mesquoakee Ranch, LLC to Amend Marilee Special Utility District's Certificate of Convenience and Necessity in Collin County by Expedited Release*

DATE: March 9, 2022

On February 18, 2022, a Proposed Order was filed in the above-referenced docket. The Commission will consider the Proposed Order at a future open meeting.

On March 4, 2022, Commission Staff filed exceptions and corrections. On the same date, Marilee Special Utility District filed corrections and exceptions.

Commission Staff's correction to finding of fact 21 is appropriate and finding of fact 21 is revised as follows:

21. The petitioner acquired the remainder, an approximately ~~347.582-acre~~ 347.852-acre portion by a warranty deed dated April 5, 2016.

I conclude that no additional changes to the Proposed Order are warranted in response to the remaining corrections and exceptions raised by Commission Staff and the CCN holder.
