PETITION OF GJGTEB HOLDINGS,	§	PUBLIC UTILITY COMMISSION
LLC TO AMEND CREEDMOOR-	§	
MAHA WATER SUPPLY	§	OF TEXAS
CORPORATION'S CERTIFICATE OF	§	
CONVENIENCE AND NECESSITY IN	§	
CALDWELL COUNTY BY EXPEDITED	§	
RELEASE	§	

**ORDER NO. 7
WITHDRAWING PROPOSED ORDER**

On March 30, 2022, the administrative law judge (ALJ) filed a Proposed Order in this matter which, if approved by the Commission, would have released a tract of land owned by GJGTEB Holdings, LLC from Creedmoor-Maha Water Supply Corporation's certificated service area. At the time the Proposed Order was filed, the petition was opposed by Creedmoor-Maha WSC.

On May 27, 2022, Creedmoor-Maha WSC filed a notice explaining that it and GJGTEB Holdings entered into an agreement on May 16, 2022, pursuant to which Creedmoor-Maha WSC withdraws its opposition to GJGTEB Holdings' petition and consents to the release of the tract of land.

Because there is no longer any opposition to the petition, it is no longer necessary for the decision on release to be made by the Commission. Therefore, the ALJ hereby withdraws the Proposed Order filed in this case on March 4, 2022. The ALJ plans to issue an Order granting the release requested by GJGTEB Holdings within the next few days.

Signed at Austin, Texas the 29th day of June 2022.
