**THE CITY OF FORT WORTH’S AUGUST UPDATE**

**TO:** The Honorable Isaac Ta, Administrative Law Judge, Public Utility Commission of Texas

COMES NOW, the City of Fort Worth, by and through its counsel, and respectfully files the forgoing “The City of Fort Worth’s August Update.”

**I. BACKGROUND**

On September 23, 2021, the Town of Lakeside (Lakeside) and the City of Fort Worth (City) (collectively, Applicants) filed an application for approval of the sale, transfer, or merger of facilities and certificate rights in Tarrant County. On June 27, 2022, the ALJ signed Order No. 10, admitting the evidence submitted by the parties to this proceeding. On June 30, 2022, the ALJ signed Order No. 11 approving the sale and allowing the transaction to proceed. Ordering Paragraph No. 6 states that “the applicants must file monthly updates regarding the status of the closing of the transaction and submit documents evidencing that the transaction was consummated.” Therefore, the City submits the following update pursuant to Order No. 11 and 16 TEX. ADMIN. CODE § 24.239(j).

**II. THE CITY OF FORT WORTH’S AUGUST UPDATE**

Since its July Update, the City has continued to ascertain the status of all the accounts within Parcels Three, Four, and Five and to acquire easements for infrastructure that is needed to serve the customers within the parcels. A map of the parcels containing information regarding the location of the infrastructure to be constructed and the status of accounts is provided in the attached Exhibit “A.”

*City of Fort Worth’s August Update*

The City has also been drafting an agreement with Lakeside that is intended to fully consummate the transaction. Notable changes to the status of the transaction are noted below.

As stated in the City's July Update, a change order to a nearby capital improvement project is being processed to add 33 customers to connect to previously installed infrastructure within Parcel Five. As of August, the change order is scheduled to be considered by the Fort Worth City Council on September 13, 2022. Additionally, Lakeside and the City have verified the existence of all applicable accounts, and the status of each respective account described in the City's July update has been confirmed. *See Exhibit A attached hereto.*

The City is still working to consummate the transaction through an agreement to be executed with Lakeside. The agreement will establish an effective date for the transaction and ensure that customer deposits are addressed. The City and Lakeside will complete negotiation of the agreement within the next three months. Future updates will continue to address the status of this endeavor. The City is willing and available to answer any questions posed by the ALJ or PUC staff.
