II. Conclusions of Law

The Commission makes the following conclusions of law.

1. The Commission has authority over this petition for streamlined expedited release under TWC §§ 13.254 and 13.2541.
2. The petitioner provided notice of the petition in compliance with 16 Texas Administrative Code (TAC) § 24.245(h)(3)(F).

¹ *Petition of CR Farms, LLC to Amend South Cleveland Water Supply Corporation's Certificate of Convenience and Necessity in Liberty County by Expedited Release*, Docket No. 51641, Order No. 6, Granting Streamlined Expedited Release (Apr. 8, 2022).

² *Petition of CR Farms, LLC to Amend Quadvest, LP's Certificates of Convenience and Necessity in Liberty County by Expedited Release*, Docket No. 52642, Order No. 6, Granting Streamlined Expedited Release (Mar. 1, 2022).

3. No opportunity for a hearing on a petition for streamlined expedited release is provided under TWC §§ 13.254 or 13.2541 and, under 16 TAC § 24.245(h)(7), no hearing will be held on such a petition.
4. Petitions for streamlined expedited release filed under TWC §§ 13.254 and 13.2541 and 16 TAC § 24.245(h) are not contested cases.
5. Landowners seeking streamlined expedited release under TWC §§ 13.254 and 13.2541 and 16 TAC § 24.245(h) are required to submit a verified petition through a notarized affidavit, and the CCN holder may submit a response to the petition.
6. Under 16 TAC § 24.245(h)(7), the Commission's decision is based on the information submitted by the landowner, the CCN holder, and Commission Staff.
7. To obtain release under TWC § 13.2541(b), a landowner must demonstrate that the landowner owns a tract of land that is at least 25 acres, that the tract of land is located in a qualifying county, and that the tract of land is not receiving service of the type that the current CCN holder is authorized to provide under the applicable CCN.
8. The time that the petition is filed is the only relevant time period to consider when evaluating whether a tract of land is receiving water service under TWC § 13.2541(b). Whether a tract of land might have previously received water service is irrelevant.
9. A landowner is not required to seek the streamlined expedited release of all of its tract of land.
10. Liberty County is a qualifying county under TWC § 13.2541(b) and 16 TAC § 24.245(h)(2).
11. The petitioner owns the 7,917.805-acre tract of land, and the petitioner seeks streamlined expedited release of a portion of the tract through the petition.
12. The petitioner owns the 2,761.381-acre tract of land, and the petitioner seeks streamlined expedited release of three portions of the tract through the petition.
13. Neither tract of land is receiving water service under TWC §§ 13.002(21) and 13.2541(b) and 16 TAC § 24.245(h), as interpreted in *Texas General Land Office v. Crystal Clear Water Supply Corporation*, 449 S.W.3d 130 (Tex. App.—Austin 2014, pet. denied).

14. The petitioner is entitled under TWC § 13.2541(b) to the release of the portions of the tracts of land from the CCN holder's certificated water service area.
15. Under TWC §§ 13.254(h) and 13.2541(a), after the date of this Order the CCN holder has no obligation to provide retail water service to the released portions of petitioner's tracts of land.
16. The Commission may release only the property of the landowner from a CCN under TWC § 13.2541(b). The Commission has no authority to decertify any facilities or equipment owned and operated by the CCN holder to provide retail water service through the streamlined-expedited-release process under TWC § 13.2541(b).
17. The Commission processed the petition in accordance with the TWC and Commission rules.
18. Under TWC § 13.257(r) and (s), the CCN holder is required to record certified copies of the approved certificate and map, along with a boundary description of the service area, in the real property records of Liberty County no later than the 31st day after the date the CCN holder receives this Order.
19. A retail public utility may not under TWC §§ 13.254(d) and 13.2541(a) provide retail water service to the public within the released portions of the tracts of land unless just and adequate compensation under TWC § 13.254(g) has been paid to the CCN holder.

III. Ordering Paragraphs

In accordance with these findings of fact and conclusions of law, the Commission issues the following orders:

1. The Commission releases the portions of the tracts of land identified in the petition from the CCN holder's certificated service area under CCN number 11448.
2. The Commission does not decertify any of the CCN holder's equipment or facilities that may lay on or under the released portions of the tracts of land.

4. The Commission approves the map attached to this Order.
5. The Commission issues the certificate attached to this Order.

6. The CCN holder must file in this docket proof of the recordings required in TWC § 13.257(r) and (s) within 45 days of the date of this Order.
7. The proceeding to determine the amount of compensation to be awarded to the CCN holder, if any, commences on the date of this Order in accordance with the schedule adopted in Order No. 3. Any decision on compensation will be made by a separate order.
8. The Commission denies all other motions and any other requests for general or specific relief not expressly granted by this Order.

Signed at Austin, Texas the 11th day of June 2022.
