Docket No. 52640 – *Application of the City of Edinburg to Amend a Certificate of Convenience and Necessity under Texas Water Code § 13.255 and to Decertify a Portion of North Alamo Water Supply Corporation's Service Area in Hidalgo County*

A proposed order filed in the above-referenced docket is posted for consideration and action by the Commission. If the Commission approves the proposed order, I recommend the following change to the Commission's order.

Conclusion of law 1 should be modified for accuracy.

1. The Commission has authority over the application under Texas Water Code (TWC) § ~~13.041~~, 13.241, 13.242, 13.244, 13.246, and 13.255.

Additionally, the Commission should delegate to the Office of Policy and Docket Management the authority to modify the order to conform to *the Citation and Style Guide for the Public Utility Commission of Texas* and to make other non-substantive changes to the order for such matters as capitalization, spelling, grammar, punctuation, style, correction of numbering, and readability.
