ORDER NO. 2
FINDING APPLICATION DEFICIENT, ESTABLISHING
DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the September 27, 2021 application of the City of Edinburg to amend its water certificate of convenience and necessity number 12106 and to decertify a portion of North Alamo Water Supply Corporations' service area in Hidalgo County. On October 27, 2021, Commission Staff filed a recommendation regarding administrative completeness and notice of the application.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before December 1, 2021, the applicant must supplement the application to cure the deficiencies as described in the October 27, 2021 memorandum of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before January 4, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application and notice, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 1st day of November 2021.
