DOCKET NO. 52642

PETITION OF CR FARMS, LLC TO	§	PUBLIC UTILITY COMMISSION
AMEND QUADVEST, LP'S	§	
CERTIFICATES OF CONVENIENCE	§	OF TEXAS
AND NECESSITY IN LIBERTY	§	
COUNTY BY EXPEDITED RELEASE	§	

ORDER NO. 5
RESPONDING TO COMMISSION STAFF'S INQUIRY AND GRANTING EXTENSION

On February 2, 2022, Commission Staff requested clarification about the intent behind Order No. 4, and requested an extension of its deadline to respond to the order. The ALJ's objective, in issuing Order No. 4, is simply to know the size, in acreage, of Requested Area 1 and the size, in acreage, of Requested Area 2.

In their February 2, 2022 filing, Commission Staff asks whether the ALJ would like an explanation of "the discrepancy between the 64.21 acres initially requested for release, as described in the petition, and the 42 acres that overlap Quadvest's CCN, as described in Staff's recommendation on final disposition." The answer is, yes.

The ALJ grants the extension. By February 9, 2022, Commission Staff must (1) state the acreage of Requested Area 1; (2) state the acreage of Requested Area 2; and (3) explain the apparent discrepancy between the 64.21 acres initially requested for release, as described in the petition, and the 42 acres that overlap Quadvest's CCN, as described in Staff's recommendation on final disposition.

Signed at Austin, Texas the 3rd day of February 2022.
