RE: *PUC Docket 52646*; Petition of the City of New Boston and Central Bowie County Water Supply Corporation for Approval of a Service Area Contract under Texas Water Code § 13.248 and to Amend Certificates of Convenience and Necessity in Bowie County

Dear Sir/Madam:

Central Bowie County Water Supply Corporation ("Central Bowie County WSC"), the City of New Boston, Texas ("City"), and staff of the Public Utility Commission of Texas (collectively the "Parties") wish to supplement their Joint Motion to Admit Evidence and Proposed Findings of Fact, Conclusions of Law, and Ordering Paragraphs in the above-referenced docket (the "Joint Pleading") with the enclosed certificates of convenience and necessity and map.<sup>1</sup>

The Joint Pleading seeks to admit evidence, and references several documents that were previously filed and compose the administrative record of PUC Docket No. 52646, including the City's executed consent form and Central Bowie County WSC's executed consent form. The Parties now seek to supplement the consent forms with the attached certificates and map, which were provided to the City and Central Bowie County WSC on August 30, 2022, and which were the maps and certificates to which the City and Central Bowie County WSC consented.

The Parties have conferred, and each party agrees to the substance and filing of this supplement.

Please process these documents in your usual manner. Thank you for your assistance in this matter and please do not hesitate to contact me should you have any questions.

Sincerely,

/s/ C. Cole Ruiz
