**ORDER NO. 3**  
**FINDING PETITION ADMINISTRATIVELY INCOMPLETE AND**  
**NOTICE SUFFICIENT AND ESTABLISHING DEADLINES**

This Order addresses the sufficiency of the September 28, 2021 petition of Eland Energy Inc. to amend Marilee Special Utility District's certificate of convenience and necessity (CCN) in Collin County by streamlined expedited release. On October 28, 2021, Commission Staff filed its recommendation on the administrative completeness of the petition.

The administrative law judge (ALJ) finds the petition administratively incomplete for the reasons described in the memorandum of Pai Liu, attached to Commission Staff's recommendation. Eland Energy's petition included a certificate of service certifying that notice of the petition was sent to Marilee SUD via certified mail, return receipt requested, on September 28, 2021. The ALJ finds the notice sufficient.

By November 12, 2021, Eland Energy must cure the deficiencies identified in the memorandum of Pai Liu. By December 10, 2021, Commission Staff must file a supplemental recommendation on sufficiency of the petition and propose a procedural schedule.

The ALJ rescinds the November 5, 2021 deadline for Marilee SUD to file its verified response. A new deadline for Marilee SUD to file a response to the petition will be established in a subsequent order.<sup>1</sup> Additional deadlines will be established if the petition is deemed administratively complete

---

<sup>1</sup> Under 16 Texas Administrative Code § 24.245(h)(6), Marilee SUD's deadline to respond will not exceed 20 days from the date the petition is determined to be administratively complete.

Signed at Austin, Texas the 29th day of October 2021.
