**RE:** Project No. 52673 - *Application of Pedernales Solar Energy XIV LLC for a Power Generation Company Registration*

### RECOMMENDATION

On October 5, 2021 Pedernales Solar Energy XIV LLC (Pedernales Solar or the Company) filed an application to register as a new power generation (PGC) company pursuant to 16 Texas Administrative Code (TAC) § 25.109. The facility being registered as a PGC is Pedernales Solar Energy XIV LLC.

After a review of Pedernales Solar's registration request, I have concluded that the applicant has satisfactorily completed the registration requirements under 16 TAC § 25.109(e) by providing a description of the location of the facility used to generate electricity; a description of the types of services provided by the person that pertain to the generation of electricity; and all information requested on the Commission-prescribed form. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC § 25.109(f).

Therefore, I recommend that Pedernales Solar Energy XIV LLC's registration request be granted, and Commission records be revised to reflect the registration.
