THE JOINT TDUS' MOTION TO ADMIT

AEP Texas Inc.; CenterPoint Energy Houston Electric, LLC; and Texas-New Mexico Power Company (collectively, the Joint TDUs) file this Motion to Admit. In support of their Motion to Admit, the Joint TDUs state the following:

I. Background

On October 8, 2021, the Joint TDU's filed their Expedited Petition that requested expedited approval of the Joint TDUs: (1) designing and operating load management programs for nonresidential customers during the period of December 1, 2021 through February 28, 2022 (the Interim Load Management Programs) and (2) recording a regulatory asset for the reasonable and necessary costs associated with the design and operation of the Interim Load Management Programs and for future load management programs for nonresidential customers.

On November 30, 2021, Public Utility Commission of Texas (Commission) Staff and the Joint TDUs filed a Revised Stipulation and Settlement Agreement (Revised Agreement) that resolves the Joint TDUs' Expedited Petition and their respective Interim Load Management Programs.

II. Motion to Admit

The Joint TDUs request that the following be admitted into evidence:

- Electric Reliability Council of Texas, Inc. Response to Commissioner Questions (filed on November 29, 2021); and
- Revised Agreement (filed on November 30, 2021);

III. Conclusion

The Joint TDUs request that the Commission grant their request and admit into evidence

the items described above.

Date: December 1, 2021

Respectfully submitted,
