**JOINT TDU’S RESPONSE TO ORDER NO. 2 AND PROOF OF NOTICE**

AEP Texas Inc.; CenterPoint Energy Houston Electric, LLC; and Texas-New Mexico Power Company (collectively, the Joint TDUs) file this Response to Order No. 2 and Proof of Notice. In support of their Response and Proof of Notice, the Joint TDUs state the following:

**I. Response**

**a. Interim Load Management Programs**

The Joint TDUs are working on providing details on their respective Interim Load Management Programs. The Joint TDUs will provide such details on or before the October 27, 2021 deadline stated in Order No. 2.

**b. Notice**

The Joint TDUs have provided notice of this proceeding to each party in their last base rate case proceedings. Attached to this Response are the Joint TDUs’ respective proofs of notice. Additionally, attached to this Response is the Joint TDU’s proposed notice for publication in the *Texas Register*. The proposed notice for publication is the same as the notice that the Joint TDUs provided to each party in their last base rate case proceedings.

**II. Conclusion**

The Joint TDUs request that the Public Utility Commission of Texas: (1) find that the Joint TDUs provided notice of this proceeding to each party in their last base rate proceedings and (2) approve Joint TDUs’ proposed notice for publication in the *Texas Register*.

Date: October 22, 2021

Respectfully submitted,

## Proposed Notice for Publication

**NOTICE OF REQUEST FOR AN ACCOUNTING ORDER**

On October 8, 2021, AEP Texas Inc.; CenterPoint Energy Houston Electric, LLC; and Texas-New Mexico Power Company (collectively, the Joint TDUs) filed with the Public Utility Commission of Texas (Commission) an Expedited Petition requesting expedited approval of the Joint TDUs: (1) designing and operating load management programs for nonresidential customers during the period of December 1, 2021 - February 28, 2022 (the Interim Load Management Programs) and (2) recording a regulatory asset for reasonable and necessary costs associated with the design and operation of the Interim Load Management Programs and for future load management programs for nonresidential customers. The Expedited Petition has been assigned Docket No. 52689. The Expedited Petition may affect commercial and industrial customers that may qualify and that may elect to participate in any of the Interim Load Management Programs.

Persons with questions or who want more information about the Expedited Petition may contact the Joint TDUs at:
