Re: Petition of Rosendo L. Garcia, Isabel R. Garcia and Nicholas R. Garcia to Amend the Aqua Water Supply Corporation's Certificate of Convenience and Necessity in Bastrop County by Expedited Release
Docket No. 52693

Dear Commission:

Per the March 21, 2022 Order No. 5 Granting Extension Request to April 4, 2022 to cure deficiencies, please note that today several mapping files have been filed into the PUC e-filer. Several interactions with Ms. Tracy Montes regarding ways to cure mapping deficiencies have resulted in today's filing.

This process has been lengthy and complicated and we appreciate the PUC staff's patience and willingness to work with us.

Please feel free to email me at syoung@waterengineers.com or call at 281-373-0500 if you have any questions or if you require any additional information.

Sincerely,
WATERENGINEERS, INC.

Shelley Young, P.E.
Project Engineer
