**FINDING PETITION REMAINS ADMINISTRATIVELY**  
**INCOMPLETE, AND PROVIDING OPPORTUNITY TO CURE**

This Order addresses the October 11, 2021 petition of Ben F. Vaughan, III, and Frost Bank, as Co-Trustees of the Genevieve Tarlton Dougherty Trust No. 2, for Ben F. Vaughan, III; James Cullen Vaughan, as Trustee of the James Cullen Vaughan GST Exempt Trust; and Catherine A. Payer, as Trustee of the Rachel Catherine Vaughan GST Exempt Trust, as Trustee of the Daniel Benjamin Vaughan GST Exempt Trust, and as Trustee of the Patrick Michael Vaughan GST Exempt Trust to amend Aqua Water Supply Corporation's certificate of convenience and necessity (CCN) in Bastrop County by streamlined expedited release. On March 11, 2022, Commission Staff filed a supplemental recommendation on the administrative completeness of the petition. Commission Staff stated that the petitioners have made no further filings in this docket to cure the deficiencies of the petition.

The administrative law judge continues to find the petition administratively incomplete for the reasons described in the memorandum of Jolie Mathis, attached to Commission Staff's November 12, 2021 recommendation.

The following procedural schedule applies for continued processing:

Event	Date
Deadline for petitioners to file information to cure deficiencies identified in Commission Staff's memorandum	April 11, 2022
Deadline for Commission Staff to file a supplemental recommendation on sufficiency of the supplemented petition and the sufficiency of notice, and propose a procedural schedule; <b>and</b> If appropriate, deadline for Commission Staff to file a dispositive motion	May 11, 2022
