Docket No. 52694

Dear Commission:

Per the March 15, 2022 Order No. 4 Providing Opportunity to Cure Deficiencies by April 11, 2022, please note that today several mapping files have been filed into the PUC e-filer. Several interactions with Ms. Tracy Montes regarding ways to cure mapping deficiencies have resulted in today's filing.

This process has been lengthy and complicated and we appreciate the PUC staff's patience and willingness to work with us.

Please feel free to email me at [syoung@waterengineers.com](mailto:syoung@waterengineers.com) or call at 281-373-0500 if you have any questions or if you require any additional information.

Sincerely,  
WATERENGINEERS, INC.

Shelley Young, P.E.  
Project Engineer
