The Commission makes the following conclusions of law.

1. The Commission has authority to determine the amount of compensation to be awarded after granting streamlined expedited release under TWC §§ 13.254 and 13.2541.
2. No notice is required to determine the amount of compensation.
3. No opportunity for a hearing to determine compensation for streamlined expedited release is provided under TWC § 13.2541 or 16 Texas Administrative Code (TAC) § 24.245(h)(7).
4. The determination on compensation under TWC § 13.2541 and 16 TAC § 24.245(i) is not a contested case.
5. Under 16 TAC § 24.245(i)(2), if a petitioner and CCN holder cannot agree on an independent appraiser, they must each engage their own appraiser at their own expense,

and each appraiser's report must be submitted to the Commission within 70 days after release is granted. After receiving the appraisals, the Commission must appoint a third appraiser who must make a determination on compensation within 100 days after release is granted. The determination by the Commission's appraiser may not be less than the lower appraisal or more than the higher appraisal made by the appraisers engaged by the CCN holder and the petitioners.

6. Under 16 TAC § 24.245(i)(3), the determination of compensation made by the Commission-appointed appraiser is binding on the Commission, the CCN holder, and the petitioner.
