ORDER NO. 20
GRANTING JOINT EXTENSION AND REVISING DEADLINE

This Order addresses Commission Staff’s December 18, 2023 joint request, on behalf of itself and all parties, to extend the time to file a joint motion to admit evidence and proposed notice of approval. Commission Staff states that additional time is needed to revise the tariff, provide it to the applicants for review and consent, and following the filing of the signed consent forms, the joint motion and proposed notice of approval can be filed.

The administrative law judge grants Commission Staff’s joint request for extension. No further extensions will be granted without a detailed explanation of the need for an extension.

By January 12, 2024, the parties must jointly move for the admission of relevant filings as evidence in the record of this proceeding and provide a proposed notice of approval having proposed findings of fact, conclusions of law, and ordering paragraphs.

Signed at Austin, Texas the 20th day of December 2023.
