ATTACHMENT A

**NOTICE OF REQUEST TO CHANGE
WHOLESALE TRANSMISSION RATES**

On November 3, 2021, the City of College Station (City) filed with the Public Utility Commission of Texas (“Commission”) a Statement of Intent for its Application for Authority to Change Rates for Wholesale Transmission Service, pursuant to 16 Tex. Admin. Code (TAC) § 25.192 (Application). The Application has been assigned Docket No. 52728. The City intends to implement the transmission rates approved in this proceeding as of December 8, 2021, or as soon as otherwise allowed by law.

The City’s Application requests an increase of its annual transmission cost of service (TCOS) of \$2,262,282 compared to its most recent TCOS case (Docket No. 15762), resulting in an annual TCOS of \$6,006,601 and approval of a wholesale transmission rate of \$84.67 per megawatt (MW) per year based on the 2020 ERCOT 4CP demand. The City’s current wholesale transmission rate is \$55.26 per MW.

Because the Application requests a revision of the City’s wholesale transmission rate, affected customers include all distribution service providers who pay wholesale transmission charges pursuant to the Substantive Rules of the Commission.

A complete copy of the City’s Application is available for inspection at <http://interchange.puc.texas.gov/> by entering the Docket Number of this case in the “Control Number” space. If that is not satisfactory, a copy may be obtained from the legal counsel for the City of College Station, Thomas Brocato, Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701, or by calling (512) 322-5857.

Persons who wish to intervene in or comment upon this proceeding should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be made to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, and reference Docket No. 52728. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing and speech impaired individuals with the text telephones (TTY) may contact the Commission at (512) 936-7136. The City has requested an intervention deadline of December 20, 2021, or the first business day following 45 days after the filing of its Application.
