**ORDER NO. 2**  
**FINDING APPLICATION INCOMPLETE AND DEFICIENT**  
**AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the October 27, 2021 application of Iron Hill Water Supply Corporation and Rusk Rural Water Supply Corporation for sale, transfer, or merger of facilities and certificate rights in Cherokee County.

On November 30, 2021, Commission Staff filed an amended recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By December 29, 2021, the applicants must supplement the application to cure the deficiencies as described in the November 29, 2021 memorandum of Kathryn Eiland and Fred Bednarski. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

By January 12, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application and the sufficiency of proposed notice, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 1st day of December 2021.
