**ORDER NO. 4  
REQUIRING CLARIFICATION**

This Order addresses the November 5, 2021 petition filed by Petrus Investment, LP for streamlined expedited release of approximately 749.34 tract of land from Aqua Texas Inc.'s certificate of convenience and necessity number 13201.

The administrative law judge requests clarification from Aqua on the maps submitted as attachments to its March 1, 2022 response to Petrus Investment's petition for streamlined expedited release. Specifically, Aqua must provide a legend for attachment 1 specifying the type of facility in and around the tract of land that is the subject of the petition. Additionally, the small print on attachment 2 is illegible; therefore, Aqua must identify the type and location of its facilities on attachment 2.

On or before April 1, 2022, Aqua must file the required clarifications.

**Signed at Austin, Texas the 29th day of March 2022.**
