RE: **Docket No. 52792** – *Petition of Petrus Investment, LP to Amend Aqua Texas Inc.'s Certificate of Convenience and Necessity in Denton County by Streamlined Expedited Release*

DATE: April 20, 2022

On April 5, 2022, I filed a Proposed Order in the above-styled and numbered docket.

On April 19, 2022, Commission Staff filed a correction to proposed finding of fact 26 to correct a typographical error. The correction is appropriate, and the proposed order is revised as follows.

26. On March 15, ~~2022~~2022, Commission Staff filed its recommendation on final disposition that included a certificate and a map on which it identified the tract of land in relationship to the CCN holder's certificated service area.

Also on April 19, 2022, Aqua Texas, Inc. filed exceptions to the Proposed Order. I do not recommend any changes to the Proposed Order in response to Aqua Texas' exceptions.

The Proposed Order is ready for the Commission's consideration.
