APPLICANT’S CLARIFICATION

In Order Nos. 14 and 15, the Administrative Law Judge (ALJ) directed Undine Texas, LLC (Undine Texas) and Undine Texas Environmental, LLC (UTE) (collectively, Undine or Applicants) and Commission Staff to file clarification on certain issues by March 3, 2023. Undine provides the following information in response to those orders.

Undine hereby states its agreement with Commission Staff’s clarifications as filed on February 21, 2023 (Docket Id. No. 144). In further response to the ALJ’s clarification requests, regarding enforcement actions, Undine submits the attached Exhibit A (submitted confidentially).

In addition, Undine submits the following response to the ALJ request that Undine address environmental impacts and effect on the land of the planned upgrades to bring the Conroe Resort PWS back into compliance. Undine hereby states its position that the environmental integrity and the land will be minimally affected as new facilities are built to upgrade the capacity at the water systems. The disruption will be minimal and should not prevent the transaction from moving forward.
