Subject: Transfer of Water and Sewer Facilities from Conroe Resort Utilities LLC to Undine Texas LLC.

Reference: 1) Docket 52797
2) Docket 50017

Dear PUC of Texas,

The almost 280% rate increase for both water and sewer proposed by Undine LLC is both excessive and unjustifiable.

I am submitting this letter in protest of the transfer rate increases as noted in the letter provided by Undine Texas LLC. There does not seem to be any logical reason why both the water and sewer rates should increase by such extreme percentages for the same service. Logic says that the approved rates for Conroe Resort Utilities LLC should be the same rates for that facility and not some approved rates for any other incomparable facility.

There has been no rationale provided for the extreme increases. The facility and customer base is the same and Hay's utility is continuing to provide the billing and support services. I respectfully ask the Commission to review this transaction and conclude that the rate increases requested by Undine LLC should not be applied to the Conroe Resort Utility facility.

Sincerely,
