

Control Number: 52797

Item Number: 177

To whom it may concern

This is a letter of protest concerning the sale of Conroe Resort Utilities to Undine L. L. C. located on Montgomery, Texas 77356.

Water and sewer bills have already doubled with plans for massive and unreasonable future increases. Please review the transaction of this sale and rate increases and come to a more equitable solution than these huge rate increases.

Thank you for your consideration.
