PUBLIC UTILITY COMMISSION OF TEXAS

**ORDER NO. 29
GRANTING EXTENSION REQUEST**

This Order addresses Commission Staff's June 23, 2023 request for extension. Commission Staff stated more time is needed to review Undine Texas, LLC and Undine Texas Environmental, LLC's supplemental information. Commission Staff attempted to confer with counsel for Undine but was unsuccessful.

The administrative law judge grants the request for extension. By June 30, 2023, Commission Staff must file a recommendation on the applicants' supplemental capital improvement plan, a recommendation on the loan documentation or the request for a good cause exception, and a supplemental recommendation on the applicants' supplemented notice. Further, given the procedural posture of this case, the deadline for the parties to file a joint motion to admit evidence and proposed order approving sale and allowing transaction to proceed is suspended pending referral to the State Office of Administrative Hearings.

Signed at Austin, Texas the 27th day of June 2023.
