DOCKET NO. 52797

APPLICATION OF CONROE RESORT UTILITIES, LLC AND UNDINE TEXAS, LLC AND UNDINE TEXAS ENVIRONMENTAL, LLC FOR SALE, TRANSFER, OR MERGER OF FACILITIES AND CERTIFICATE RIGHTS IN MONTGOMERY COUNTY	§ § § § § §	PUBLIC UTILITY COMMISSION OF TEXAS
--	--	--

**ORDER NO. 35
REQUIRING CLARIFICATION ON STATUS OF THE TRANSACTION**

The Order addresses the need for clarification regarding the February 1, 2023 notice of close of transaction filed by the applicants.

In their June 12, 2024 response to Order No. 33, Undine Texas, LLC and Undine Texas Environmental, LLC stated that the transaction between themselves and Conroe Resort Utilities has not closed administratively. In its June 13, 2024 response to Order No. 33, Commission Staff states that the applicants filed notice that the transaction closed, but that the applicants did not follow through with the transaction as no order allowing the transaction to proceed had been filed.

By July 8, 2024, the parties must clarify the statement that the transaction has not closed administratively. Do the parties mean that some additional action needs to occur between Undine Texas, Undine Texas Environmental, and Conroe Resort for the transaction to close? Or, do the parties simply mean that the Commission has not filed an administrative order allowing the transaction to proceed? If it is the latter, the administrative law judge is of the opinion that such an order is moot due to the February 1, 2023 filings, and intends to file an order similar to the proposed order filed in Docket No. 54171¹ on June 3, 2024.
