**ORDER NO. 36
REQUIRING CLARIFICATION ON RATES**

This Order addresses the need for clarification from the parties regarding the rates to be charged by Undine Texas, LLC and Undine Texas Environmental, LLC.

On March 7, 2024, the State Office of Administrative Hearings mediators filed a mediation report in which they stated that the parties reached an agreement. The mediation report did not provide details of the agreement, and after review of the record, the Commission administrative law judge (ALJ) requires clarification as to which phase of rates listed on Undine Texas and Undine Texas Environmental's respective tariffs will be applied to this proceeding. If it is not the phase that was noticed to customers, Undine Texas, Undine Texas Environmental, and Commission Staff must provide recommendations on whether new notice is required.

The ALJ also requires clarification as to whether there are any pass-through rates that will apply to the Conroe Resort system as a result of this transaction.

By August 6, 2024, the parties must provide the required clarification.

Signed at Austin, Texas the 16th day of July 2024.
