JOINT STATEMENT OF CLARIFICATION

TO THE HONORABLE ADMINISTRATIVE LAW JUDGE:

COME NOW Undine Texas, LLC (Undine Texas) and Undine Texas Environmental, LLC (UTE) (collectively, Undine or the Applicants) and the Staff (Staff) of the Public Utility Commission (Commission) (collectively, the Parties) and file this Joint Statement of Clarification in response to Order No. 36, in which the administrative law judge (ALJ) required certain clarifications by August 6, 2024. Therefore, this pleading is timely filed.

I. Response

The Parties provide the following information in response to the Order:

1. The ALJ requires clarification as to which phase of rates listed on Undine Texas and UTE's respective tariffs will be applied to this proceeding.

Undine Texas and UTE will be applying the approved rates for Conroe Resort Utilities, LLC (CRU), beginning with Phase 1 of the rates, as affirmed by Undine in the Applicants' Clarification filed on June 12, 2024 (AIS Item No. 300).

2. If it is not the phase that was noticed to customers, the Parties must provide recommendations on whether new notice is required.

Consistent with the Applicants' Clarification (AIS Item No. 300), the Parties provided notice that the customers would be charged beginning with Phase 1 of the rates.

3. The ALJ also requires clarification as to whether there are any pass-through rates that will apply to the Conroe Resort system as a result of this transaction.

There are no pass-through rates that will apply to the Conroe Resort System as a result of this transaction.

II. Conclusion

The Parties request that the ALJ consider this information in clarification of the information previously submitted in the docket.

Dated: July 30, 2024.

Respectfully submitted,
