**Dear Sir/Madam**

**It is my understanding and concern that the water-sewer base rate will double at my residence if Undine Development LLC purchases Conroe Resort Utilities LLC (current water provider)**

**I wish to protest this excessive rate increase.**

**We need and ask for your help and support as Del Lago is a small residential retirement**

**community consisting predominately of elderly on fixed income.**

**As Lake Conroe property owners. we already do so much to provide water for many communities in Montgomery and Harris County**

**Thank you**

**Best regards**
