**GRANTING EXTENSION**

This Order addresses Commission Staff’s response to Order No. 5 filed on March 24, 2022. Commission Staff stated that on March 8, 2022, Eugene Barrington filed an ambiguous request to intervene in this matter. The filing did not include a phone number or email address that could be used to confirm the assumption that Mr. Barrington intends to intervene. Commission Staff requested that Mr. Barrington have an opportunity to clarify whether he intends to intervene in this proceeding. Commission Staff also renewed its request for an extension to file a request for a hearing or final recommendation.

On March 17, 2022, Undine Development, LLC filed a response to Commission Staff’s initial request for an extension stating that it is opposed to Commission Staff’s request for an extension to file its final recommendation to April 14, 2022.

On or before April 1, 2022, Mr. Barrington must clarify his request to intervene and provide a justiciable interest showing he may be adversely affected by the outcome of this proceeding. Further, the following procedural schedule applies:

<b>Event</b>	<b>Date</b>
Deadline for Commission Staff to request a hearing or file a recommendation on the approval of the sale and on the certificate of convenience and necessity amendments	April 14, 2022
