Little Elm, Texas 75068

Re: Application of Terra Southwest, LLC (“Terra”) and Undine Texas, LLC (“Undine”) for Sale, Transfer or Merger of a Retail Public Utility in Denton County (Docket No. 51632)

Dear Town of Little Elm Representative:

On December 16, 2020, Terra and Undine submitted an application to the Public Utility Commission of Texas (“PUC”) for the sale, transfer or merger of a retail public utility and certificate rights from Terra to Undine (the “Application”). Based on our review, the Application includes an area of overlap with the Town of Little Elm (“Little Elm”) CCN No. 11202. The attached map specifies the area of overlap.

This letter requests that Little Elm agree to dual certification of the area identified on the attached maps for its CCN 11202 so that Terra and Undine may incorporate those areas into the service areas that are otherwise the subject of the Application. We note that Little Elm does not now, nor has it ever, supplied drinking water service to customers within the area highlighted on the attached maps. Undine and Terra seek Little Elm’s dual certification of the area for no compensation under Texas Water Code §13.254.

If approved, the dual certification will allow Undine to exercise its authority to provide retail, public water utility service under Undine’s STM Application to the portion of Little Elm’s CCN No. 11202 requested for dual certification.

[SIGNATURE PAGE FOLLOWS]

If you agree to dual certification of the identified area pursuant to the terms of this letter, please so indicate by signing in the area indicated below. We appreciate your consideration in this matter.

Sincerely,

Carey A. Thomas

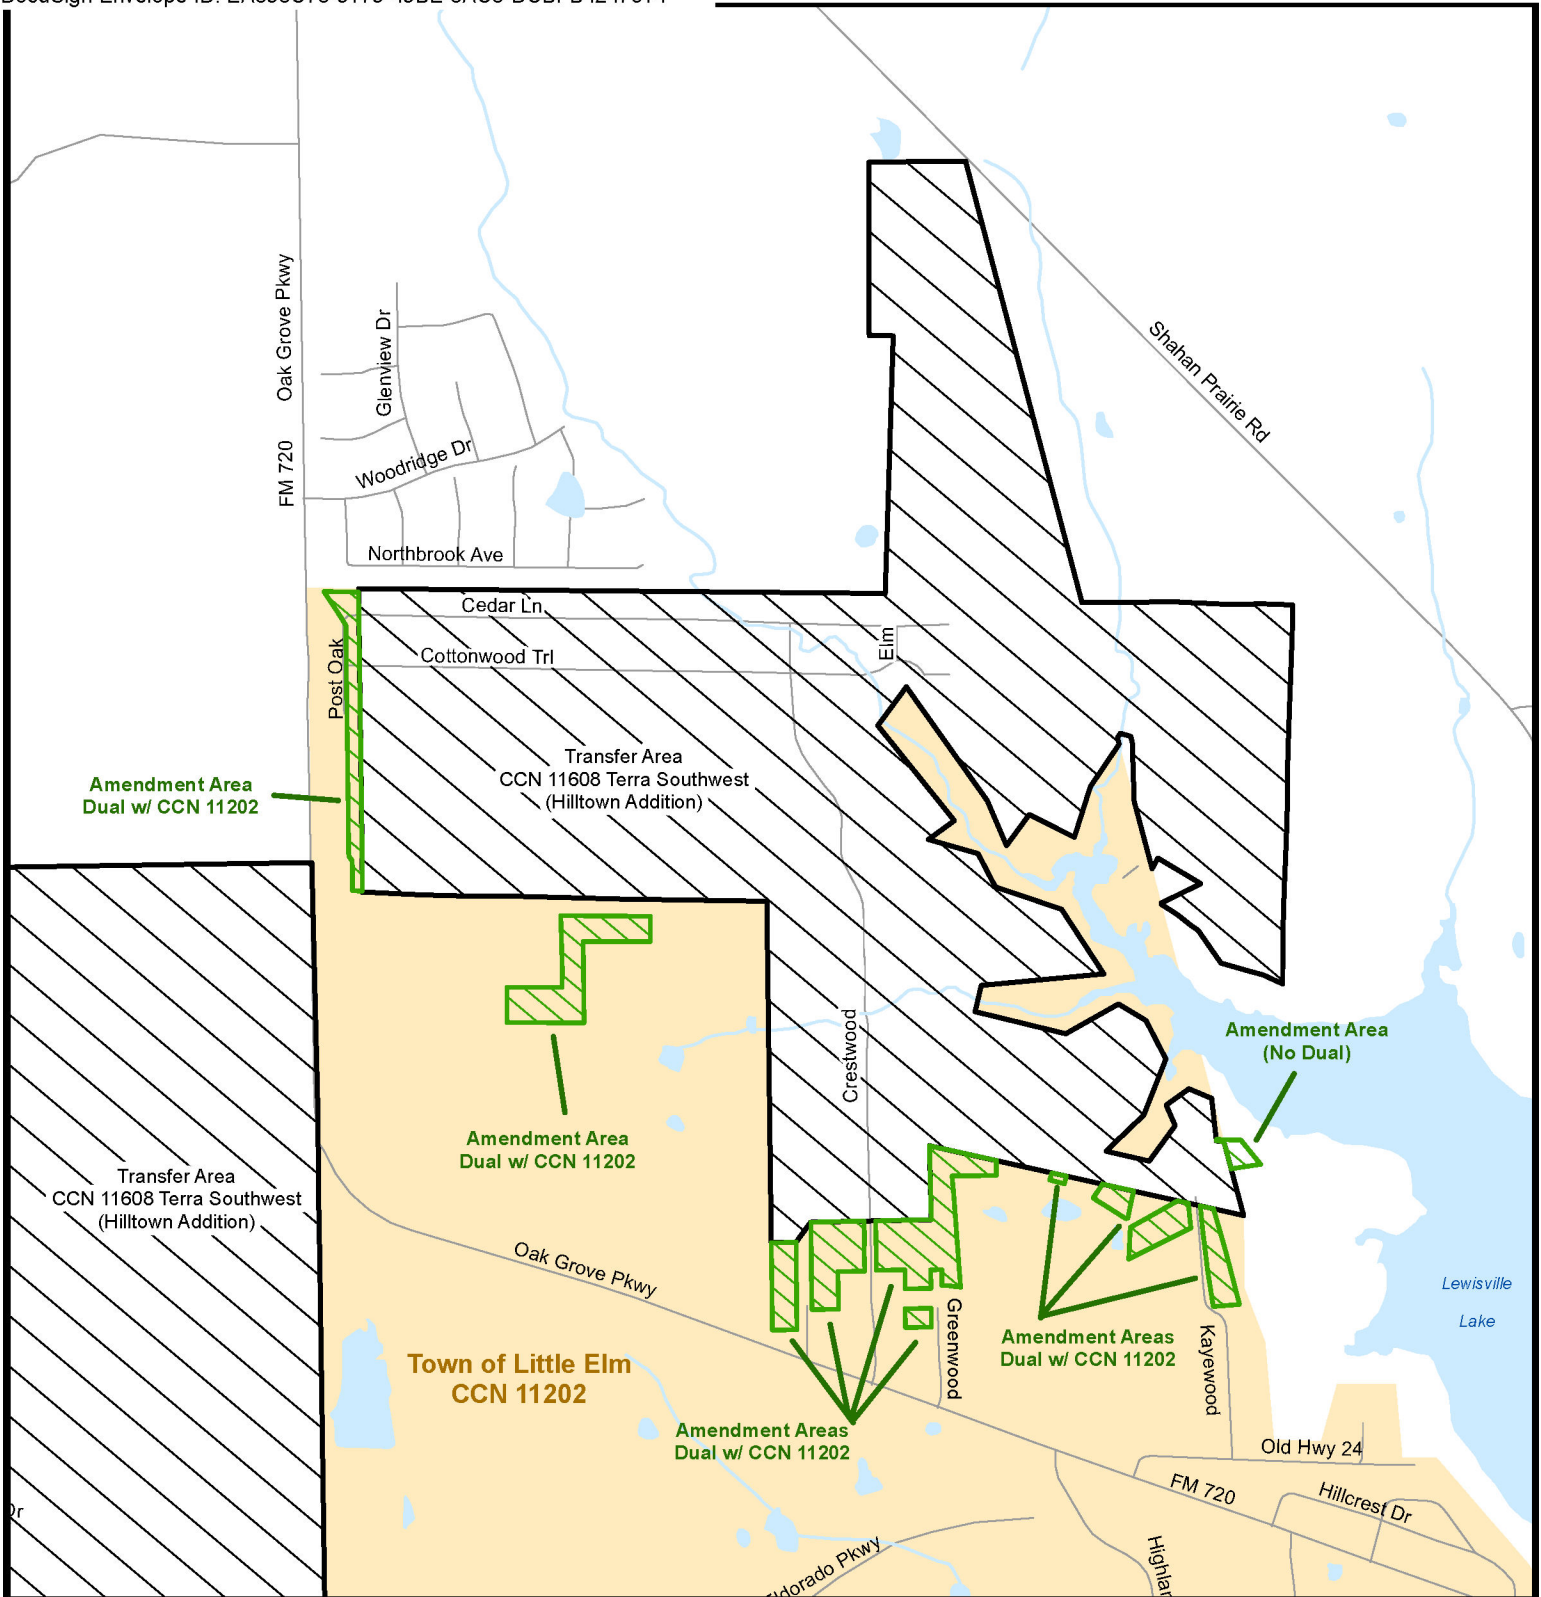

By the signature below, Town of Little Elm agrees to dual certification of the area identified in this letter according to the terms of this letter.
