<b>APPLICATION OF FLAT FORK</b>	<b>§</b>	<b>PUBLIC UTILITY COMMISSION</b>
<b>WATER SUPPLY CORPORATION</b>	<b>§</b>	
<b>AND CITY OF CENTER FOR SALE,</b>	<b>§</b>	
<b>TRANSFER, OR MERGER OF</b>	<b>§</b>	<b>OF TEXAS</b>
<b>FACILITIES AND CERTIFICATE</b>	<b>§</b>	
<b>RIGHTS IN SHELBY COUNTY</b>	<b>§</b>	

**COMMISSION STAFF'S SUPPLEMENTAL AMENDED RECOMMENDATION ON  
ADMINISTRATIVE COMPLETENESS AND NOTICE AND PROPOSED  
PROCEDURAL SCHEDULE**

On November 29, 2021, Flat Fork Water Supply Corporation (Flat Fork) and City of Center (Center) (jointly, Applicants) filed an application for approval of the sale, transfer, or merger of facilities in Shelby County. Applicants seek to acquire facilities and customers from Flat Fork WSC under water Certificate and Convenience No. 11711.

On May 27, 2022, the administrative law judge filed Order No. 7, establishing a deadline of June 3, 2022, for the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file a supplemental amended recommendation regarding administrative completeness of the application and notice, and file a proposed procedural schedule for continued processing. Therefore, this pleading is timely filed.

**I. ADMINISTRATIVE COMPLETENESS**

On February 23, 2022, Staff submitted its supplemental recommendation on administrative completeness of the application and recommended that the application be found complete from a managerial, technical, and financial perspective.<sup>1</sup> Staff reiterates its February 23, 2022 recommendation that the application be found administratively complete. Staff's recommendation on administrative completeness is not a comment on the merits of the application.

**II. NOTICE**

At this time, Staff recommends that the Applicants proceed with providing public notice to all current customers using the attached notice form. Along with each individual notice, Staff recommends that the Applicants provide an accurate map delineating the requested service area.

---

<sup>1</sup> See Commission Staff's Supplemental Recommendation on Administrative Completeness and Proposed Procedural Schedule (Feb. 23, 2022).

Once notice has been provided, Staff recommends that the Applicants file proof of notice as described in the attached memorandum, including an affidavit specifying the name and address of every person and entity to whom notice was provided, the date that the notice was provided, and a copy of the map provided with the notice. Finally, Staff recommends that the Applicants use the attached notice and affidavit to meet these requirements.

### **III. PROCEDURAL SCHEDULE**

Staff recommends that the application be found administratively complete. Therefore, Staff proposes the following procedural schedule:

<b>Event</b>	<b>Date</b>
Deadline for the Applicants to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties	July 1, 2022
Deadline for Staff to file a recommendation on sufficiency of notice	July 15, 2022
Deadline to intervene	30 days after notice is issued

### **IV. CONCLUSION**

For the reasons detailed above, Staff recommends that the application be found administratively complete, that the Applicants be directed to provide notice using the attached notice form, and that the proposed procedural schedule be adopted. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: June 3, 2022

Respectfully submitted,
