**ORDER NO. 12
REQUIRING CLARIFICATION**

This Order addresses the need for clarification regarding a discrepancy as to whether the City of Center has violations listed in the Texas Commission on Environmental Quality's (TCEQ) database. Specifically, Commission Staff's September 2, 2022 recommendation on the transaction states that the City of Center has violations listed in the TCEQ database. However, finding of fact 18 of the proposed order filed by the parties on September 28, 2022, states that the City of Center has no violations listed in the TCEQ database.

By October 14, 2022, the parties must jointly address the above-described discrepancy and file, and move for the admission of, additional relevant evidence, if appropriate.

Signed at Austin, Texas the 4th day of October 2022.
