RE: Customer Transitions

The City of Center has completed the transition of all customers onto the City of Center water system as of this date. All customer meters have been swapped to Center Utility equipment and the Flat Fork WSC meters have been provided to your system operator. All customer accounts have become active and the City has received from Flat Fork WSC amounts applied to each customer account for the required deposit. The City will begin billing each of those customers during the next reading cycle that will generate bills due on January 10, 2023 and will comply with the terms of the service area transfer in the billing of current active customers.

As always, if there are any questions or information needed, please do not hesitate to contact my office.

Regards,

A handwritten signature in black ink, appearing to read "Chad D. Nehring", is written over the typed name and title.

Chad D. Nehring
City Manager

Re: Flat Fork Water Supply Corporation transfer of meters
To the City of Center
Reference #52890

To Whom It May Concern:

The transfer of 35 meters from Flat Fork Water Supply Corporation to the City of Center has taken place and all deposits have been transferred. There were no unpaid interested payments to be refunded or transferred.

Sincerely,

A handwritten signature in cursive script that reads 'Glynn Russell'.

Glynn Russell
President
Flat Fork Water Supply Corporation

Yareli Ramirez
