ORDER NO. 4
FINDING APPLICATION INCOMPLETE AND DEFICIENT
AND ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses the sufficiency of the November 29, 2021 application of Flat Fork Water Supply Corporation and the City of Center for sale, transfer, or merger of facilities and certificate rights in Shelby County.

On January 26, 2022, Commission Staff filed a recommendation regarding administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By February 9, 2022, the applicants must supplement the application to cure the deficiencies as described in the January 26, 2022 memorandum of Kathryn Eiland and Fred Bednarski. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

By February 23, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application and the sufficiency of proposed notice, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 28th day of January 2022.
