**JOINT STATUS REPORT AND REQUEST FOR CONTINUED ABATEMENT**

On December 8, 2021, the Executive Director of the Public Utility Commission of Texas (Commission) filed a formal Notice of Violation (NOV) against Midway Solar, LLC (Midway Solar) in the above-styled proceeding. On December 22, 2021, Midway Solar filed a request for hearing. On January 18, 2022, Midway Solar filed, with Commission Staff, a joint request to abate the proceeding pending settlement negotiations. On January 21, 2022, the administrative law judge (ALJ) filed Order No. 1, abating the proceeding. The ALJ's Order No. 1 required Midway Solar and Commission Staff to file a joint status report by March 25, 2022. Midway Solar and Commission Staff filed a joint status report as required. The ALJ's Order No. 2—dated March 28, 2022—requested a subsequent status report by May 2, 2022, “and at the first of each month thereafter.” Therefore, this pleading is timely filed for the August 1 deadline.

**I. STATUS REPORT AND REQUEST FOR CONTINUED ABATEMENT**

Commission Staff and Midway Solar continue to engage in negotiations in good faith. The parties continue to discuss settlement and believe a continued abatement is appropriate. Therefore, Commission Staff, on behalf of itself and Midway Solar, respectfully request that the abatement of this proceeding be continued.

**II. CONCLUSION**

The parties respectfully request that the abatement of this proceeding be continued.
