OF TEXAS**

**DESIGNATION OF REPRESENTATIVES**

Midway Solar, LLC (Midway Solar) files this designation of representatives to request that all service in this proceeding be provided to its designated representatives.

**I. BACKGROUND**

This proceeding involves a Notice of Violation (NOV) filed by the Commission's Executive Director. The initial NOV was not sent to the contact designated by Midway Solar (Mr. Jonathan Kett) on its most recent Power Generation Company registration form filed on October 4, 2018 in Docket No. 48731 (approved via Notice of Approval issued October 26, 2018). Instead, it was sent to an employee of a former owner of the facility. After counsel for Midway Solar noticed the filing on the Interchange and informed Commission Staff of the erroneous service, the Commission then re-issued a revised NOV and sent it to Mr. Kett.

Midway Solar files this designation of representatives to seek to avoid any further mis-directed service.

**II. DESIGNATION OF CONTACTS**

Midway Solar designates Mr. Jonathan Kett and the undersigned counsel as its designated representatives in this proceeding and respectfully requests that all service in this proceeding be provided to Mr. Kett and its undersigned counsel, all of whose mailing addresses and email addresses are provided below.

**Respectfully submitted,**
