Re: Project No. 51761, Quarterly Report of Performance Measures for the Retail Electric Market Pursuant to PUC Subst. R. §25.88 – 1st Quarter 2022 for Calpine Power America, LLC

To Whom It May Concern:

Please accept for filing in the above-referenced proceeding the Performance Measures for the Retail Electric Market report for Calpine Power America, LLC (“CPA”) for the First Quarter of 2022. CPA provides service to customers as a Retail Electric Provider (“REP”) under the authority of Certificate No. 10015. In accordance with Schedule B, applicable to REPs, of the Commission Document, “Filing Requirements for Performance Measures Reporting Pursuant to P.U.C. Subst. R. 25.88,” CPA is providing the following information:

Measure A-1: Customers Served by REPs - is made by providing copies of the EIA-861M previously submitted by CPA to the Energy Information Administration (“EIA”). These copies are being filed confidentially.

Measure C: Technical Field Performance. This Measure does not apply to CPA, as CPA does not currently serve the categories of customers pertinent to this Measure.

CPA considers the revenue, MWhs sold, and the number of CPA customers reported in the EIA-861M forms provided for Measure A-1 to be privileged and confidential trade secrets, and commercial and financial material, of which public disclosure would cause significant and substantial harm to CPA and its commercial partners. The EIA also treats this information as sensitive and protected information that is not disclosed to the public under 10 CFR 1004.11, the Department of Energy regulations implementing the Freedom of Information Act. As such, CPA requests the Commission likewise treat the EIA-861M forms as confidential material exempt from public disclosure under the Texas Public Information Act, Texas Government Code, Ch. 552, Sections 552.101 and 552.110.

Attestation is provided for the information being provided in this filing. Should the Commission have questions or concerns about the content and nature of this filing, please contact me at 713-315-9321, or at isabel.montalvo@calpine.com.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, reading "Isabel Montalvo". The signature is written in a cursive, flowing style.
