

Filing Receipt

Received - 2022-10-25 03:44:43 PM

Control Number - 52942

ItemNumber - 1480

10/25/2022

Dear Central Records,

Please void item #1473 as I filed registrations together and then learned that they needed to be filed separately. The tracking number is CQANFROX

I have since filed them correctly in control #52942.

Let me know if you have any questions or I need to address anything further.

Thank you,
