To Whom It May Concern,

Verano Oaks is registered under #S9985 registration number with PUCT. Previously, there was no irrigation system installed, but recently one has been added. We are sending in this new form with the updated information regarding irrigation system. The allocation percentage has been at 75% since billing began, so no action is needed there. We just wanted to ensure our records are correct and in compliance with regulations in your database.

Thank you,
