Re: **Project No. 52981; Ables Springs Special Utility District conversion project to change name on CCN No. 10819**

---

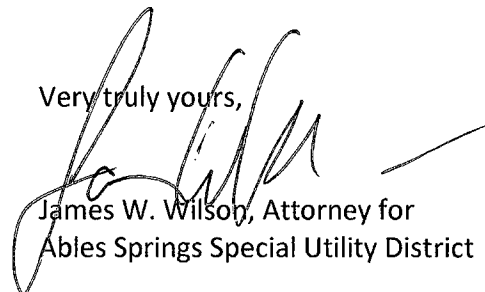

Dear Ms. Montes,

Our law firm serves as general counsel to Ables Springs Special Utility District (SUD). On December 15, 2021 we filed required documents with the PUC and TCEQ in connection with the conversion of Ables Springs WSC to Ables Springs SUD and requested the name on CCN No. 10819 be changed to "Ables Springs Special Utility District." To date, we have not received the amended CCN.

Please expedite the CCN issuance because Ables Springs SUD is in the process of applying for a loan with the USDA that is scheduled to close soon. Having no valid CCN in Ables Springs SUD's name will prohibit the loan closing. Any assistance you can offer will be greatly appreciated.

Please feel free to contact me or my paralegal, Angela Kuykendall, with any questions or concerns.

Very truly yours,

James W. Wilson, Attorney for  
Ables Springs Special Utility District
