The applications for Dockets NO. 53006, 53007 and 53008 were filed by "UA Holdings 1994-5 LP dba SC Utilities". This Utility Name was copied from the latest approved tariff, dated 7/01/2019 and was approved in Dockets NO. 49423, 49424 and 49425.

II. NUMBER OF CONNECTIONS:

III. Consolidation

The Applicant has no problem consolidating Dockets 53006, 53007 and 53008 into one Docket as long as all 3 Subdivisions receive the requested 5% increases. In 2019 when the first-Rate Adjustment was requested in one Docket the PUC requested that SC Utilities use 3 Dockets. The Tariff states that the last rate increases for the three subdivisions listed above were approved in Docket NOS. 49423, 49424 and 49425.
