**ORDER NO. 4
REQUIRING REVISED RECOMMENDED TARIFFS FROM COMMISSION STAFF**

In Order No. 3 filed February 4, 2022, the administrative law judge (ALJ) consolidated Docket Nos. 53006, 53007, and 53008 into Docket No. 53006.

One day earlier, Commission Staff filed recommended tariffs in each of the three prior dockets. The recommended tariffs filed by Commission Staff do not incorporate all of the 5% sewer rate changes that will be approved in this consolidated docket, and do not reference the right docket number. Therefore, by February 11, 2022, Commission Staff must file, in Docket No. 53006:

- a recommended sewer tariff that incorporates all the recommended rate changes for Meadow Vista Business Park, Spring Cypress Shopping Center, and Sunrise Ranch Subdivision, and that references Docket No. 53006; and
- a recommended water tariff that incorporates the recommended rate changes and that references Docket No. 53006.

Signed at Austin, Texas the 7th day of February 2022.
