In support thereof, the Parties respectfully show the following.

**I. Background**

On December 16, 2021, Creedmoor and Austin executed a Water Service Area Transfer Agreement (the “Service-Area Contract”) to transfer approximately 31.65 acres of service from Creedmoor under CCN number 11029 to Austin under CCN number 11322. On December 21, 2021, Creedmoor and Austin filed the application at issue in this proceeding (“the Application”) for approval of the Service-Area Contract and to amend CCN numbers 11029 and 11322. In Order No. 2 filed on January 24, 2022 the Administrative Law Judge (“ALJ”) found the Application to be administratively complete and that public notice was sufficient.

On March 1, 2022, Austin, and on March 15, 2022, Creedmoor filed their consents to the map and certificates provided by Commission Staff on February 25, 2022. On March 11, 2022, Commission Staff filed is final recommendation supporting approval of the Application.

- d. Creedmoor's consent to the final map and certificate, filed on March 15, 2022 (Interchange Item No. 8);
- e. Commission Staff's Final Recommendation, filed on March 11, 2022, recommending that the Application be approved (Interchange Item No. 7); and
- f. The final maps and certificates, which are attached to this Joint Motion to Admit Evidence.

## **III. Joint Proposed Notice of Approval**

The Parties have agreed on the attached Joint Proposed Notice of Approval, which would grant the Application.
