OPPORTUNITY TO CURE

This Order addresses the December 22, 2021 petition by Michael D. Dry to amend Monarch Utilities I, LP's water certificate of convenience and necessity (CCN) in Tarrant County by streamlined expedited release. On January 24, 2022, Commission Staff filed its recommendation on the administrative completeness of the petition.

The administrative law judge (ALJ) finds the petition administratively incomplete for the reasons described in the January 24, 2022 memorandum of Patricia Garcia, attached to Commission Staff's recommendation.

The following procedural schedule applies for continued processing:

Event	Date
Deadline for petitioner to file information to cure deficiencies identified in Commission Staff's memorandum	February 23, 2022
Deadline for Commission Staff to file a supplemental recommendation on administrative completeness of the petition and sufficiency of notice and propose procedural schedule	March 25, 2022

A deadline for Monarch to file a response to the petition will be established in a subsequent order.¹ Additional deadlines will be established if the petition is deemed administratively complete.

¹ Under 16 Texas Administrative Code § 24.245(h)(6), Monarch's deadline to respond will not exceed 20 days from the date the petition is determined to be administratively complete.

Signed at Austin, Texas the 26th day of January 2022.
