APPENDIX - SERVICE RULES AND REGULATIONS

I. BILLING:

Bills shall be rendered monthly showing sufficient information to enable a customer to readily compute his own bill with a rate schedule, which schedule will be furnished by request. Each bill shall furnish sufficient information to determine the amount of water used, the applicable rate schedule reference, total amount due, and said bill must be paid on or before the tenth (10) day of the month following issuance or fifteen (15) days after issuance, whichever is later.

II. SERVICE REFUSAL:

If state and local regulations have been met, a service request can be refused only if: applicant has refused to make a deposit (if required), has an existing water utility debt which is not in dispute, or, an installation would be hazardous or unsuccessful. A dept or delinquency of a previous occupant cannot be used against an applicant for service or a customer.

III. SERVICE DISCONTINUANCE:

A customer may be disconnected, after at least a five (5) day personal notice in writing, only for the following: a bill unpaid more than twenty (20) days after issuance unless a deferred payment agreement is signed; a willful violation of a utility usage rule which interferes with the service of others; failure to comply with deposit or guarantee arrangements; failure to comply with terms of a deferred payment agreement; and, bypassing or tampering with a utility meter. A service may be disconnected without notice only for the duration of a known dangerous condition.

The day of a disconnection and the following day must be days when personnel of the utility are available to the public for making collections and reconnections, unless the date of disconnection is at customers request.

IV. METERS:

The utility shall provide, install, own and maintain meters to measure amounts of water consumed by the customer. A customer may have his meter tested without charge in his presence at a convenient time during working hours. A charge not to exceed \$15.00 may be assessed for an additional requested test within four (4) years of the first test

if any such additional test shows the meter to be accurate.

V. APPLICANT DEPOSITS:

Permanent residential applicants shall not be required to make a deposit if they demonstrate to the utility a satisfactory credit rating, furnish a satisfactory guarantee, show substantial equity ownership, had been a water utility customer for one of the two (2) previous years with but one (1) delinquency and no disconnections for unpaid bills, or, are 65 years or older with no unpaid bill from any water utility.

A deposit may be required of temporary, weekend or seasonal residential customers. A commercial customer may be required to pay a deposit if credit is not satisfactorily established. If disconnected for an unpaid bill, to be reconnected an applicant must pay all amounts due or execute a deferred payment agreement and establish credit. A deposit may be required of rental property.

VI. FEES AND CHARGES:

If it is necessary to remove a meter, there will be a \$10.00 service charge with a \$10.00 fee for reconnection.

The charge for the connection and tap for new service will be \$175.00.
