9. Does Applicant serve within the corporate limits of any municipality or within the jurisdictional limits of any public authority? Yes No \overline{X} If so, furnish a copy, along with this application, of any consent, franchise or permit granted by the municipality or public authority.
O. Attach to this application a written description of the territory shown on Applicant's map as being served by applicant. This description should be by natural boundaries or other limits which can be located on the ground. Roads, creeks, rivers, power lines, and latitudinal and longitudinal lines may be used, as well as lines drawn from one known point to another, such as two road crossings. Descriptions must be made on a county by county basis, as certificates will be granted by county. Therefore, county lines may be used, also. The description must note any "exchange area" lines of Applicant within the county. This usually applies only to telephone utilities.
11. Is Applicant seeking generating, storage, or transmission rights but not requesting a certificated area of service around these generating, storage, or transmission facilities? Yes No X If so, please state in the written description of the claimed service area (#10, above) that the only area around the generating, storage, or transmission facilities claimed by Applicant is the easement around the facilities, and describe the easement. There is no need to draw easement boundaries on the map filings.

> Re: City of Omaha, Morris County, Texas

Dear Mr. Bell:

In accordance with the rules for filing for Certificate of Convenience and Necessity for the City of Omaha in Morris County, Texas, we are enclosing a general highway map prepared by the Texas State Highway Department covering the counties of Camp, Morris, and Titus, and on this have circled in red the town of Omaha.

We provide the following information relative to the items noted in the criteria for filing these maps.

- 1. The City of Omaha furnishes retail utility services on both water and sewer.
- 2. The City of Omaha does not have a block map on which are shown water and sewer lines. Such a map will be prepared and submitted along with the petition for the certificate.
- 3. The City secures its water from wells located within the city.
- 4. The primary office address of the applicant is: City of Omaha

Omaha, Texas 75571
The person to be contacted with respect to any ques-

tion regarding the filing should be:
Mrs. Mary Ann Joyner, City Secretary, and/or

Mayor B. B. Brown.

20193.1

We regret that we have such little information at this time, but assure you that we will have the necessary maps prepared.
